

Curriculum Vita

Name : Fouad Ali Yaseen
Birth : 1973
Status : Married
Degree : PhD. From **BRUNEL UNIVERSITY LONDON** 2019, MSc. From **UOB** 2010, and BSc. From **UOT** 1995, all in Electronic & Communication Engineering.
Working Field : Computer Network, IoT, SDN, AI, Mobile, and Internet Networking
E-Mail : koreafnaaz@gmail.com
: fouad.yaseen@coeng.uobaghdad.edu.iq
Mobile No. : **07817170620**
Current Position : A faculty member in the College of Engineering, University of Baghdad

Certificates Obtained:

1. Cisco Certification networking Associate (Instructor) -Level One.
2. Cisco Certification networking Associate (Instructor) -Level Two.
3. Information Technology (KOICA) 2005- Level One.
4. Information Technology (KOICA) 2007- Level Two.
5. CCNA Network Fundamentals (Instructor).
6. CCNA Routing Protocols & Concepts (Instructor).
7. CCNA3 LAN Switching and Wireless (Instructor).
8. CCNA4 Accessing the WAN (Instructor).
9. MTA Network Fundamentals.
10. MTA Windows Operating System Fundamentals.
11. MTA Windows Server Administration Fundamentals.

Curriculum Vita

Papers / Articles / Handbooks Published:

1. Authored or co-authored 14 papers in Journals of IEEE organization.
2. One Handbook in Computer Maintenance.
3. Two Handbooks in Computer Networks.
4. Reviewer in IEEE ACCESS Journal (reviewed more than 30 papers).
5. Reviewer in the Journal of Engineering/ UOB.

Experience (19 years):

1. Head of Department Computers & Internet Networks Maintenance / Computer Center 2005 - 2015
2. Designing and installing the network of CISCO Lab. for Institute of Wire & Wireless Communication / Ministry of Communication
3. Designing and installing the network for Administrative University of Baghdad
4. Designing and installing the network for Mechanic Engineering Department / University of Baghdad
5. Repairing & maintaining Data show (more than 20 devices)
6. Repairing & maintaining laser & color printers (more than 30 printers)
7. Installing a UPS (40 kVA) for Computers Science Department / University of Baghdad
8. Designing & implementing digital & analog practical electronic circuits (more than 40 circuits)
9. Training more than 30 persons on configuration of Cisco routers (C2500, C2600 and C2800)
10. Chairman of the Maintenance Committee in the Department of Electronics and Communications Engineering since 2021.

Curriculum Vita

Courses Taught:

1. Networking Basics (2005 - 2009).
2. Switching & Routing Basics (2005 - 2009).
3. Computers Maintenance (Hardware-based) (2005 - 2014).
4. Power Supplies & UPS Maintenance (2005 - 2014).
5. Power Electronics / University of Baghdad (2021 - 2023).
6. C++ Programming / University of Baghdad (2021 -2023).
7. Electronics Workshop Lab / University of Baghdad (2021 - 2023).
8. Queuing Theory (Al-Nahrain University / IT College) (2020).
9. Advanced Communication Networks (Al-Nahrain University / IT College), **Two Years Diploma Program** (2020 - 2022).
10. Network Security & Cybersecurity level 1 (Al-Nahrain University / IT College), **Two Years Diploma Program** (2021-2022).
11. Advanced Network Security & Cybersecurity (Al-Nahrain University/IT College), **Two Years Diploma Program** (2022 - 2023).
12. Encryption and Decryption Methods and Techniques (Al-Nahrain University / IT College), **Two Years Diploma Program** (2021 - 2023).

Responsibilities:

1. Head of Computers & Internet Networks Maintenance 2010-2015.
2. Head of team installed the network of CISCO Lab. for Institute of Wire & Wireless Communication / Ministry of Communication.
3. Head of installing team the network for Administrative University of Baghdad.
4. Head of installing team the network for Mechanic Engineering Department / University of Baghdad.
5. Head Manager of Internet for University of Baghdad.
6. Chairman of commercial finance / Computer Center
7. Chairman of the Maintenance Committee in the Department of Electronics and Communications Engineering since 2021.
